MARK MYKINS

Building Inspector
Code Enforcement Officer
Fire Marshal
Zoning Officer

ROGER L. BLAUVELT

Building Inspector

TERRENCE ANTHONY

Assistant Building Inspector &
Code Enforcement Officer

Dear Resident:

The Building Department of the Town of Wilton is able to help you in a variety of ways including providing you with information regarding the local and state codes. As a general reminder, it is always best to call the Building Department *prior* to starting a building project. A Building Permit is required on all construction projects and Zoning Requirements must be met.

Noise from construction in the Town of Wilton is limited according to its [Noise Ordinance](#). This ordinance limits noise before 7:00 am and after 9:00 pm.

The Town of Wilton also has a [Burning Ordinance](#). Open fires are not allowed on lots of less than two acres. Burning is allowed on larger lots if certain criteria are met.

Please contact the Wilton Town Hall for these requirements or visit us on the Wilton Web at www.townofwilton.com.
