HIGHWAY DEPARTMENT

Some helpful information regarding the Highway Department.

- ❖ Hours of operation are Monday-Friday 7:00 A.M. to 3:30 P.M., October through May; Monday-Thursday, 6:00 A.M. to 4:00 P.M. May through September.
- ❖ Any notices regarding town roads are advertised in The Saratogian, Post Star, and Gazette.

In order to continue a yard waste program, the Town has authorized County Waste to collect bagged leaves (**in brown paper bags only**) and small brush. Brush must be less than four feet long, less than three inches in diameter, bundled and tied. There is no limit to the amount of properly prepared yard waste. For collection times please call 587-1939 ext 239. For large amounts of debris there is the Hiram Hollow Transfer Station, the phone number is 793-1098 (there is a fee).

- ❖ **The town right of way is 30 feet from the center of the road. All shrubs, trees, fencing, etc. must be out of the right of way.** Any type of digging (example sprinkler heads) in the right of way requires the superintendent's approval.
 - **During the snow season, please keep the following in mind:**
 - ❖ The right of way needs to be free of all objects (trashcans, basketball hoops, debris, mulch, firewood etc.)
 - ❖ **It is recommended on trash pick up day to place trash containers about 1-2 feet farther back than your mailbox sits to avoid being hit by the snow plows.**
 - ❖ There is no parking on town roads (or right of way) from November to April. Vehicles will be towed.
 - ❖ **It is illegal to push, blow, or shovel snow into or across the road.**
 - ❖ Recommended height of your mailbox should be 42" to 48" in order for our plows to go under.
