A SEA OF RED

A special thanks for all the Trackers for wearing their shirts everyday. While I know, our camp shirts are the coolest thing in Town, I do appreciate you keeping in the spirit and following the rules.

THE CLOCK TICKITH

We really have excited campers that attend Wilton Recreation. So, excited they seem to be rolling in earlier and earlier each day. I think I may have seen one here before the sun was up or maybe that was Leprechaun. I have first dibs on the pot of gold!!!

While we love to see your smiling faces, we love to see your smiling faces when staff is on duty. Please be reminded that extended AM care does not begin until 8:30am. Staff will open the doors at 8:25am. Also, for those on the regular camp ours, staff doesn't hit the sign in locations until 8:50am.

WILTON RECREATION CAMPER TALENT SHOW

You've Been Drafted!!

Straight from the General.. "As of today all Campers and Parents have been drafted!!!" Your mission if you choose to accept it.....beginning today and through August 4th Wilton

Recreation has been drafted and assigned 6 soldiers who are currently serving in the Armed Services and need us to make their day a little brighter. Our mission.....to have campers make cards here at camp....your mission.....to assist us with filling their "Box of Love". Here are a few suggestions-
- Toothpaste, toothbrush, small bags of chips, snacks, cookies, hard candy, powdered Kool-aid, gloves, dry cup of soup, cards, deodorant, lotion, pens, pencils, Little Debbie snacks, Kleenex, powdered lemonade, razors, bar of soap, first aid items, Magazines, eye drops, stationary, shaving cream, ice tea mix, gum, shampoo, lip gloss, crayons, comic books, baby wipes, life savers, coloring books, envelopes, and Girl Scout cookies.

Just remember nothing chocolate or things that melt. Campers may bring items to camp and put them in the boxes supplied. THANKS FOR YOUR HELP!!! Over and out!!!!

MT. LOST & FOUND ERUPTS

At approximately 9:45am staff and campers ran for cover as three socks, 4 lunches (complete with 1 PBJ, 4 chips and a partridge in a pear tree) and some unrecognizable green fuzzy square thing that smelled like a pickle, but looked like a transformer, spewed from Mt. Lost & Found. SAVE A COUNSELOR, CHECK MT. LOST AND FOUND FOR THAT MISSING ITEM. Located in the main office.

FRIDAY OFF-SITE TRIPS

PIONEERS-

Schenectady Planetarium

To the moon with you!!! You'll venture to far of places, learn about the solar system and even check out the Milky Way. No, not the candy bar!!!

TRAIL SEEKERS-

Children's Museum of Science- ... What you see is what you get, or is it? It is sometimes hard to tell with these amazing eye-catching - and eye-deceiving - optical illusions. This and more will amaze you as you check out the museum.

TRACKERS-Prospect Mountain Hike

What goes up, must go down!!! Enjoy this 3 mile hike toward Lake George. Did you know a cable car once took people to the top of the Prospect Mountain? It cost fifty cents. No cable cars for you.....it's all foot work. Your reward, is pizza and soda at Shepard's Beach. Bring your swim suits as we may have time for a dip. Good walking shoes a must and a water bottle. Happy Hiking.

THIS SPACE IS BEING USED BY TRACEY. I DON'T KNOW WHY I AM USING THIS SPACE, BUT IT'S HERE SO I GUESS SOMEONE SHOULD USE IT, RIGHT? MAYBE I SHOULD SING A SONG.....NO, I DON'T THINK I SHOULD AS MY VOICE ISN'T THAT GOOD. HEY WANT TO SEE ME JUGGLE? OK, WATCH. J---U—G—G—L---I—N---G . How did you like that? Pretty talented, uh? I just juggled very heavy purple boulders. For my next trick I will make myself disappear.....ok, close your eyes.....no peeking.....you don't see me do you? Ta Da....see I disappeared. I'm good!!!! Ok, well, my job here is done.

Oh, ya last weeks answer to why I'm only 9 ¾ . I was born on Feb. 29th. February 29th only comes every 4 years. Look on your calendar. No, February 29th this year. But next year there is one. I'll be 10!!!!!!
